ALFA ROMEO; CITROEN; FIAT; HONDA; LADA; LANCIA; NISSAN; OPEL; ROVER; SAAB; VAUXHALL; VOLVO	7.22701.05.0

Motor Service has included three hot-film air mass sensors (LMS) in the line of PIERBURG products. These sensors cover a broad spectrum, in particular vehicles with a petrol engine.

These sensors are of the insertion type with an external temperature sensor which can be used without problems in the existing measurement tubes.

4.07370.26.0

Motor Service offers a special toolkit with two inserts for replacement work. The two inserts fit all commercially available ratchets or socket wrenches with a quarter inch receptacle.

The right of changes and deviating pictures is reserved. Assignment and usage, refer to the each case current catalogues, TecDoc CD respectively systems based on TecDoc.
